Custom Workshops

Do your employees need training?

Is there a specific need in your company that is not being met?
Need some "customized" instruction to get you on the road to success?

Let Realcomp Training Services rescue you!

For a competitive market fee, Realcomp will create a custom workshop just for you! To accomplish your specific goals, RTS will:

- ◆ Meet with your subject matter experts (SMEs) to establish realistic goals and processes within your organization.
- ◆ Create a custom workshop, including facilitation, training materials and follow-up procedures.
- ◆ Facilitate an interactive workshop designed especially for your company!
