

Driving Directions

The Driving Directions report lets you obtain driving directions, which includes a map, from one location to another.

Driving Directions	
From Address	
US Street Address:	<input type="text"/>
City and State	<input type="text"/> MI
OR Zip Code	<input type="text"/>
To Address	
US Street Address:	<input type="text"/>
City and State	<input type="text"/> MI
OR Zip Code	<input type="text"/>
Show Driving Directions	

➤ **To obtain driving directions:**

1. Enter the address from which you want your directions to begin in the **From Address** area.
2. Enter the address to which you want to go in the **To Address** area.
3. Click **Show Driving Directions**.
The Solid Earth MapMachine© web site appears with directions and a map.
4. When finished working with the map click the on the map title bar to close that window.
