

How Realcomp Communicates with MLS Subscribers...

- ➔ **Realcomp Announcement Screen Updates:** You have access to Realcomp's announcement screen anytime you login to Realcomp *Online*® by clicking on the date at the top of the homepage. Further, if the screen has been recently updated, you will automatically see these news postings.
- ➔ **MLS Tech Trends E-News:** Realcomp's newsletter, *MLS Tech Trends*, is distributed to Realcomp Subscribers weekly. *MLS Tech Trends* contains a variety of news, updates and system tips that effect Realcomp Subscribers. To subscribe ...Visit Realcomp.com and click "E-News" at the bottom of the page.
- ➔ **Online News:** Realcomp's corporate website, www.realcomp.com, is updated often with anything from navigating tips to system updates. The corporate website is an excellent place to begin when experiencing a technical issue with Realcomp *Online*®.
- ➔ **Realcomp Training:** Your training is important to us! Realcomp offers a variety of classes to cater to the different levels and skills of our subscribers. Register for an upcoming class by logging into Realcomp *Online*®. Click "Agent" and "Schedule a Class". You may also e-mail our training department at training@realcomp.com with any questions.
- ➔ **Office Visits:** Realcomp staff members visit offices during weekly sales meetings to answer questions and gain feedback.

**Have a Question for Us? Call (866) 553-3430 or e-mail support@Realcomp.com. We're ready to answer!
Realcomp. The REALTOR'S® MLS.**
