IDX Subscriber Name

Dear Realcomp IDX Framing Subscriber,

Realcomp is proud to bring you a new and improved solution for offering IDX listings from your website! This new service comes to you at no additional cost through our partnership with Point2 Technologies. It is an adjunct service to the Free Point2 Agent websites for Realcomp members.

**The new Point2 IDX listing search widget provides the following features:**

- Ability to display a MLS listing search & results from your Point2 Agent website;
- Simple and easy-to-use search interface;
- Multiple photos for all listings;
- E-mail leads on listings directed to you;
- Mapping;
- Mortgage calculator; and more!

**In favor of this new and free option, Realcomp will discontinue the existing chargeable IDX framing solution at the close of business on Wednesday, September 30, 2009.** To avoid any disruption in your services, please be sure to setup (a Point2 Agent account & website—if you have not already and) an IDX listing search widget for your Point2 Agent website. For more information on Point2 Agent, visit Realcomp's website at <http://www.realcomp.com/products/point2>.

If you have any questions pertaining to the Point2 Agent services described above, please contact our Customer Care Department at (866) 553-3430. If you have any IDX specific questions, please contact Sarah, our IDX Specialist at (248) 699-9118.

We are pleased to make the new non-chargeable IDX listing solution available to all Realcomp Subscribers and hope you are pleased with this too. Please let us know what you think!

Respectfully,

Karen S. Kage  
Chief Executive Officer  
Realcomp II Ltd.
