Scheduling Showings Has NEVER Been Easier!

Listings enabled for electronic showing requests display on [Realcomp Online](#)® and [MoveinMichigan.com](#) with the following option being available:

Schedule a Showing

Click this button to choose an appointment time for showing the property, view showing instructions, & send your request. You should then receive an automatic confirmation or a manual reply from the listing office or agent just as soon they have had an opportunity to arrange and respond.

Processing Showing Requests Has Gotten Easier Too!

Simply activate your listings for easy showing management through ShowingAssist™ and/or ShowingDesk™ (the office companion software). Receive showing notifications via e-mail. Gather feedback from showing agents electronically! No more missed phone calls, voice mails, wasted time, etc.!
