

User Tip Sheet

Follow these steps to access the Realcomp *Mobile*™ service:

1. Verify that your cellular phone, smartphone, Palm or Windows CE device has web-browsing capabilities.
2. Check with your airtime service provider to ensure that your service plan includes Web browsing.
3. Bookmark the Realcomp *Mobile*™ URL: www.realcompmobile.com in your cellular phone or handheld device and save it as a "Favorite". Refer to phone provider for book marking instructions.
4. Go to the bookmark, enter the site, and login by using your Realcomp *Online*® Agent ID (6-digit License Number) and password.
5. You are ready to begin using Realcomp *Mobile*™! Select your search, enter your criteria, and find your house!

Points to Remember:

- Realcomp *Mobile*™ can be used on any device with a WAP 2.0 browser including Windows Mobile/Pocket PC phones and PDAs, Palm TREOs, Blackberrys, and most cellular phones released in the last year and a half. You must also have Internet access through either your cellular carrier's data network or WiFi. Additional carrier charges may apply for Internet access so check with your carrier to make sure you're ready.
- The Pocket IE browser for Windows Mobile phones and PDAs, the Blazer browser for Palm phones and PDAs, and the Blackberry browser all support WAP 2.0
- Only one login can be used per subscription (i.e. you will not be able to use your login on two different devices simultaneously).
