# **InstanetFax** Vanity Number FAQ

## **What are Instanet Fax Vanity Numbers?**

A vanity fax number is a personal local or toll free number a user can purchase directly from Instanet Solutions and put right on a business card and other marketing material (website, email signature, etc.).

The Vanity Fax number provides a similar service to eFax or other internet faxing services with three distinct advantages - It costs less than competing services, it integrates with DocBox and TransactionDesk, it always has unlimited faxing in and out - no overage fees.\*

## **How do I get one?**

They can be purchased via the online store in InstanetForms/DocBox/TransactionDesk or by phone at 1-(800) 668-8768.

## **How Much does it Cost?**

It costs \$49 per year for a local number and \$69 per year for a toll-free number.

## **What if I already have a fax number? Can I use my current number?**

Users can move their current fax number to our fax service for a one-time fee of \$49.

## **How does it work and how does it work with DocBox and TransactionDesk?**

All incoming faxes are converted to PDFs.

All incoming faxes without a transaction faxback coversheet will be sent to the email inbox for your email account on record.

All incoming faxes using a DocBox or TransactionDesk transaction coversheet will be routed to the appropriate transaction file as they are today.

Any fax without a faxback coversheet (the one with the barcode) will be sent to the user's DocBox inbox in addition to their regular email inbox. It will be available via DocBox and DocBox to go.

Users will be able to pick their fax number from an available list for the area code (local numbers) or toll free prefix (e.g. - 866, 877).

Note: Toll Free numbers can only receive faxes from within the Continental US and Canada. A separate non-toll free number will be provided for international inbound fax numbers. Faxes cannot be sent internationally from our service.
