

Visualize Opportunity

Grow your business by focusing on the people who will become your clients. Remine's Basic Subscription level is now a core benefit of your Realcomp MLS Subscription.

We Put Opportunity on the Map. Literally. remine

- **PREDICTIVE ANALYTICS:** Know when clients are most likely to buy or sell property.
- **RECONNECT & SCORE:** Gauge the propensity of past clients to buy or sell again.
- **CONTACT INFORMATION:** Purchase household contact information of owners, absentee-owners, and non-owners for specific properties with the click of a button. Export it to your favorite CRM or marketing partner.
- **ADVANCED TRACKING & PUSH NOTIFICATIONS:** Keep a pulse on properties, neighborhoods, and people including changes in sell score, MLS activity, occupancy, deeds, and more.
- **MAP-BASED SEARCH:** Use intuitive heat maps with filters for visualizing one's propensity to sell, MLS activity during the last 6 months, current mortgage rate, ownership time, zoning, and more. **Access updated summer 2017 tax info with winter on the way.** Additional filters are available under subscription upgrades for property value, home equity, flood zone, owner type, school & neighborhood boundaries.
- **LOCATED WITHIN REALCOMP:** Access Remine from Realcomp's Dashboard
