## Steps for Clearing Cookies and Cache in Safari (Mac)

The following is a list of steps for clearing cookies and cache in Safari (on versions 10.0.1 and above).

1. In the Safari browser window, click Safari and then Preferences.

2. Click **Privacy** and then **Manage Website Data**.

3. Click **Remove All** and then in the small popup, **Remove Now**.

4. Click **Safari** in the menu at the top of the screen and then **Preferences**.

5. In the Preferences window, click **Advanced** and make sure the checkbox next to "**Show Develop menu in menu bar**" is selected.

Advanced	
Image: Constraint of the second se	
Smart Search Field: Show full website address	
Accessibility: Never use font sizes smaller than 9 Press Tab to highlight each item on a webpage Option-Tab highlights each item.	
<b>Reading List:</b> Save articles for offline reading automatically	
Internet plug-ins: 🗹 Stop plug-ins to save power	
Style sheet: None Selected	
Default encoding: Western (ISO Latin 1)	
Proxies: Change Settings
