REALCOMP NAMES NEW MARKETING COORDINATOR

FARMINGTON HILLS, Mich. – March 2, 2009 – Realcomp II Ltd., Michigan’s largest online real estate Multiple Listing Services provider, today announced the promotion of Catina Willis to Marketing Coordinator from Customer Care Representative. Willis will be responsible for expanding the awareness of Realcomp, its products and services, including the new MoveInMichigan.com, set to debut later this year.

Willis has served with Realcomp for more than 11 years in a range of positions. As customer care representative, she was responsible for assisting callers with computer connectivity problems and troubleshooting, along with providing documentation for Realcomp's support team. Realcomp currently has more than 11,000 REALTOR[®] members serving Southeast Michigan.

“Catina’s knowledge and experience with virtually all areas of Realcomp puts her in an ideal position to provide immense benefit to our marketing department,” said Karen Kage, CEO, Realcomp II, Ltd. “She is a valuable member of our team, and we look forward to the increased role she will play within our organization.”

She earned a Bachelor of Science in Business from Davenport University in 2007 with a specialization in Web design and promotion. Willis currently resides in Westland.
