

Logging into RPR through Realcomp

There are two ways to access RPR through Realcomp. There is an RPR icon on the Realcomp dashboard in the Additional Listing Access section in the lower left corner.

In RCO3, it is also in the Data Sharing menu.

You will be taken to RPR's login page. When accessing RPR the first time, you will need to set up an account. If you have ever accessed RPR previously, you can log in. Use the **Forgot Email or Password** link if you have forgotten your password.

Creating a new account

1. Click the Create a New Account button.
2. Enter your last name and either your email address or NAR Member ID (NRDS number). If you don't know your NRDS number, you can click the Lookup button to search for it.

Set up your RPR account

TIP: You'll need your NAR Member ID and your MLS ID or Commercial Information Exchange ID

Your Last Name (same as NAR Membership)

Enter one of the following:

Email NAR Member ID

NAR Member ID

Already have an account? [Sign in →](#)

3. When those two fields are completed, click Next. An email will be sent to your email address on file to complete your registration and set up your password.

Check your email for an activation link

Click on the link in the email we sent you.

- The link lasts for 3 hours
- Can't find it?... Check your spam folder
